

COMPANY

Guber Global LLC — 100% founder-owned. Delaware LLC established. Trademark filed. DUNS issued. No prior raise. No co-founders.

PROBLEM

Help is fragmented across job boards, classifieds, and random referrals. Workers can't find fast paid opportunities. Local transactions have zero trust, verification, or accountability.

SOLUTION

GUBER is an action marketplace. Post tasks, hire help, find work, request See For Me inspections, sell items, move vehicles, complete missions. JAC — the Job Assistance Coordinator — guides every user from first tap to first dollar.

MARKET

Trillion-dollar-plus combined opportunity across labor, services, commerce, and logistics. TAM \$2T+ globally. SAM \$250B+ in the U.S. SOM \$250M+ at 0.1% market share.

TRACTION

400+ users. Live on web and Google Play since April 8, 2026. iOS App Store review underway. Stripe Connect, escrow, and payouts live end-to-end. Cash Drops paying real winners. Founder-built.

REVENUE MODEL

20% platform fee on jobs. 20% on V&I inspections (\$40-\$120+ per job). 20% on Load Board loads. \$99/mo Business Scout. Studio credit packs \$5-\$200. \$4.99/mo Trust Box. Cash Drop sponsorships (~60% margin).

GO-TO-MARKET

City-by-city activation. Supply first — workers, transporters, inspectors. JAC guides instant onboarding. Cash Drops drive organic installs. Local business partnerships via Scout Plan and V&I. Referral loops compound.

THE ASK

\$1,000,000

Over 18 months. \$15M early-stage valuation framework. Capital to: user acquisition (35%), product (30%), trust & safety (15%), partnerships (10%), operations (10%).

FOUNDER NOTE

"GUBER is not just another app. It is a real-world action engine. I built every line of it. Every revenue stream is live. I am looking for a partner who sees what I see — a platform that makes real-world action visible, trusted, and scalable." — Dimetris Bowden
