

"Create Value In Yourself." — GUBER is a trust-enforced local visibility network connecting people who need work with people who need help, and buyers with verified proof.

For Workers

Find local jobs, build a verifiable reputation with every completed task, and get paid securely on-platform.

For Hirers & Businesses

Post jobs for free, hire verified local help, and unlock talent through the Business Scout Plan.

For Buyers

Request a Verify & Inspect job on a vehicle, property, or asset and get independent, documented proof before you pay.

Why GUBER

- Mandatory ID verification for every hirer and worker.
- GPS-verified proof and photo documentation on every job.
- On-platform payments with escrow — money moves only when work is confirmed.
- One trust rail across jobs, transport, marketplace, and inspections.
